EXPLANATION OF SUPPORT FOR APPLICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

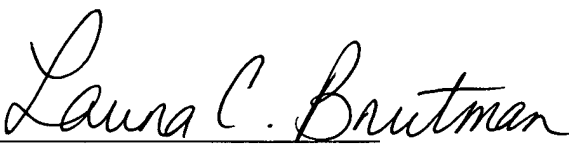

Dear Sir:

The specification of this application is based on the specification of U.S. Serial No. 09/922,485 ("the '485 application"), which is abandoned. However, since pending U.S. Serial No. 09/922,484 ("the '484 application") incorporates by reference the subject matter of the '485 application, the '484 application provides support and copendency for the subject matter of this application.

Note that the '485 application claims priority to the provisional patent application having Serial No. 60/223,062, filed August 3, 2000, and it is the provisional patent application number of the '485 application that is explicitly incorporated by reference in the '484 application.

Dated: December 30, 2003

Respectfully submitted,

By 

Laura C. Brutman
